Warsaw, 18 November 2026

Training offer: HeliMed

rescue operations with a helicopter

PETZL technical partner

Who is it for:
Adults, whatever their rescue and medical qualifications. The Polish qualified first aid certificate (KPP) is not required.

Programme:
– working with the pilot and crew of a rescue helicopter,
– establishing radio contact with the aircraft,
– inserting equipment and rescuers for an operation, with real flights on board,
– safety and tethering rules on board,
– guiding the helicopter to the incident (from on board),
– loading a casualty on a stretcher into the helicopter with the engines running,
– transporting a casualty by helicopter and medical care during the flight,
– selecting and setting up a landing site,
– receiving the helicopter on the ground.
