Warsaw, 18 November 2026

Training offer: Stunt Rope

L1–L3

PETZL technical partner

Stunt Rope is training for stunt performers working on film sets or in theatre. It combines rope techniques with stunt rigging techniques and the use of ropes such as Dyneema. Participants develop the skills to work safely with ropes and to prepare and operate the systems used in stunt work. We run the training at three levels: L1, L2 and L3.

We also welcome aspiring stunt performers: L1 requires no previous rope experience.
